WHY SUFFER SO?

Why suffer from a bad back, from sharp shooting twinges, headaches, dizziness and distressing urinary ills? People around here recommend Doans Kidney Pills. Could you ask for ask for stronger proof of merit?

Mrs. Mollie A. Pope, R. F. D. No. 3, Latta, S. C., says: "A few years ago kidney trouble was making my life miserable. I suffered intensely for some time. My back hurt me so much that I would have to press my hands in on the small of it to ease the pains. Evidently, the trouble affected my eyes, too, because very often black spots floated before my eyes, blurring my sight. I would get terribly dizzy and had severe headaches. A neighbor, knowing how I was suffering, suggested I try Doan's Kidney Pills. They helped me from the start and before long entirely cured me of this trouble and the cure has lasted, thanks to Doan's Kidney Pills. I can't praise them enough."

THOSE indented grip spots, in the center of each cleat, are safeguards against side-slipping. In forward or backward motion the cleats take hold, like the cleats on an athlete's shoes.

Thus the Ajax Cord is thoroughly dependable. Study the cleated tread. You can see why it holds.
